## Salute to Military Service Free 6 Week Golf Program

Buffalo Run in partnership with the PGA HOPE (Helping Our Patriots Everywhere) program provides veterans, retirees, and active duty service members the opportunity to attend FREE golf clinics.

The mission of the Salute to Military Service program is to utilize golf as a rehabilitative tool to help veterans overcome adversities and improve their physical, mental, emotional and social well-being.

Veterans can learn the game of golf in a fun and interactive 6-week training program led by Buffalo Run's PGA professionals. Participants will receive basic training on the game of golf, covering everything from the flat stick to the boom stick.
