* Participation in the Club Championship is open to any Member that has played in at least one, 2025 BRWC Tournament.

Tournament Payouts

25% of each tournament field will be paid out from the BRWC Prize Fund.

Payout amounts are allocated by a percentage of the total tournament players.

Tournament winnings are paid in Buffalo Run Gift Certificates and are good towards any in-stock or special order merchandise purchases.

All BRWC Tournaments are paid to the Top NET Places, with the exception of the Club Championship, which will have Gross and Net Payouts.

Tournament Registration

All Tournament Registration will be done through Golf Genius.

Members will receive email invitations for each tournament and you may play as many or as few tournaments that fit your schedule.

Participation in the Club Championship is open to any Member that has played in at least one, 2025 BRWC Tournament.

Golf Genius Tournament Software

Upon registering for the Women's Club, you will receive an email to create a profile on [GolfGenius.com](https://www.golfgenius.com), which is the tournament software used for registration and posting, scoring tournament results.

You will receive email instructions to confirm your registration.

In the email, click "Confirm Registration", then create a permanent password.

You will then be logged into our system where you can register for events, send messages to the tournament manager and access league information and results.

United States Golf Association

USGA Rules apply for all Tournaments.

You are encouraged to familiarize yourself with the USGA Rules of Golf via the USGA App or online at www.usga.org.

For every BRWC Tournament, players will be provided with a “Notice to Competitors.” This is a rules sheet that outlines any changes to the USGA or local rules in play implemented for that specific event.

GHIN Handicaps

All players must have an active GHIN Handicap to compete in the Buffalo Run Women’s Club.

Individual Stroke Play Tournaments are played at 100% of the Player’s Handicap and are locked in 2 days prior to the event.

Team Competitions will have varying allocation of handicaps among team members and will be explained in the Rules Sheet for that event.

Posting of Scores

Buffalo Run Golf Professional Staff will post all “Competition” Scores to GHIN on the day of the event. You do not need to post your scores separately.

Outside of BRWC Tournaments, it is the responsibility of every Member to post your score each time you play. Doing so insures equity and fairness among all club Members and is your duty as a Tournament Competitor.

2025 BRWC Individual Match Play

Registration is open to the first 32 BRWC Members with a paid entry fee.

If there are less than 32 players, there will be byes in the first round.

Individual Match Play Entry Fee = \$20 Prize Pool

- ❖ Greens Fees per match: \$35 (cart fee additional).
- ❖ Match Play Finalists will have their Greens Fees Comped and spectators are encouraged to watch the Final Match.

Format:

- ❖ Single elimination, NET Match Play, wheeled off the low handicap.
- ❖ 100% of your GHIN Index will be used to determine your course handicap.
- ❖ If the match is tied after 18 holes, play will continue in sudden death fashion to determine the winner. Handicaps reset on the first playoff hole.

Round Play Deadlines*:

- ❖ Round of 32 - May 12 - June 1
- ❖ Round of 16 - June 2 - June 22
- ❖ Elite 8 - June 23 - July 13
- ❖ Final Four - July 14 - Aug 1
- ❖ Match Play Final - Aug 2 - Aug 23

*If a match is not completed during the given round period, the BRWC Tournament Committee will make a ruling. If a single player is determined to be at fault, that player will be disqualified. If both players are at fault, the match will be determined by a coin flip.

Tournament Format Details

BRWC Tournaments are played from the Red Tees and are scored NET.

Payouts are made to the top 25% of each Tournament and ties are split among players.

All Team Events will consist of a single flight.

Individual Stroke Plays and the Stableford Tournament will have 2 separate Flights provided at least 12 players are signed up for the event.

3-Lady Scramble

Standard Scramble rules apply. All 3 players tee off and the team chooses their preferred shot. The 3 players all hit from that preferred shot and continue in that manner until the ball is holed out. Teams must use at least 2 tee shots from each player.

4-Lady 3-2-1

All players will play their own ball throughout the round. The number of Best Ball scores per hole will depend on the designated Par of each hole. On Par 5's, the best 3 Net scores will count, on Par 4's the best 2 Net scores will count, and on Par 3's, the best Net score will count towards the team score.

2-Lady 6-6-6

Teams will play 3 different formats during their round. Holes #1-6 will be Best Ball, holes #7-12 will be played in Scotch (alternate shot), and holes #13-18 will be played in a Scramble format.

Individual Stroke Play

Individual Stroke Play Tournaments are played at 100% of the player's course handicap, locked in 2 days prior to the tournament.

Individual Stableford

In the Stableford Format, points are awarded based on your score for each hole. The player with the highest cumulative point total over 18 holes will be the winner.

Club Championship

The BRWC Club Championship will be contested over 36 Holes and will consist of both Net and Gross Payouts. The player with the lowest gross score will be declared the overall BRWC Club Champion. The player with the lowest net score will be declared the BRWC NET Champion.
